President's Report

Nick Neal

Wow what an incredible season it has been. On the back of the COVID Pandemic, the Club has experienced strong growth across all areas:

- **Increase in numbers participating in Nippers.**

With around 500 Nippers and their parents on the beach every Sunday morning.

- **Strong participation in competitions from our Little Nippers through to our Youth Age Groups.**

While our numbers competing may be still classified as small compared to other Clubs, our little champions brought home their fair share of medals, set personal bests and represented the Club in a professional manner.

- **Introduction of the Starfish Nippers Program.**

To see participation in this program was incredible, thank you to Simone Blom and everyone that was involved in this great initiative.

- **Patrolling numbers were strong throughout the season.**

We continued to provide an extended coverage of Port Coogee and increase our lifesaving infrastructure with the implementation of the North Tower located next to the Coogee Jetty.

Provided services for events run by third parties to ensure these events were run without incident.

And our Training Team provided an additional 65 (Bronzies and SRC's) resources this season to boost our patrolling numbers.

- **Our membership base was steady.**

On par with the previous season with a general increase in active Club memberships. Renamed members of the Sunset Crew from a social to a supporter member and created a Sunset Crew Supporter Club Grant that will provide funding for "Equipment Grants" annually for the following areas within the Club:

- Club Development
- Lifesaving
- Member Development (Training and Youth)
- Surf Sports & Nippers

Available funds will be based on the previous financial membership and the amount of funding available will be communicated to the respected areas within the Club on the 1st September annually. I'm pleased to announce (a little bit earlier) that \$6900 will be available for the 2021/22 season

President's Report

Nick Neal

- **Functions and Events:**

Growing in strength on back of the good work undertaken by Darren Spencer (VP Club Operations) Club Manager Mel Rainey and her team to improve on the service we provide.

Winning the Brides Choice Awards Wedding Venue of the Year Award - Surf Club 2020. In addition finalists for Clubs WA Awards of Excellence in the category of Marketing & Function Facility of the Year.

- **Integrated Community Facility:**

Secured funding thanks to the State Labour Government for the Storage Solution Project that will see 3 storage units built on the eastern side and the enclosure of the southern side on the UGF undercover area. Once implemented, this project will allow us to better utilise the Ken Hodgkinson Training Room for Club activities.

President's Report

Nick Neal

Congratulations to Elise Stallard and Mel Rainey for being selected to participate in SLSA Women's Mentoring & Mentee Program. What a great opportunity for Elise and Mel and I believe that their involvement in this program will deliver significant benefits back to Club.

Nick Gleeson who was awarded with a SLSWA Coastal Bravery Award, Bronze Medallion for Courage. Nick was on his way down to the Club for Bronze Medallion training when he came across an accident between a vehicle and trail bike rider who wasn't wearing a helmet. Nick along with a bystander provided CPR and comforted the injured person until the arrival of emergency services where they were able to hand over the injured person to their care in a stable condition.

Nick showed extreme maturity and composure applying his training learned as a Lifesaver to assist in an emergency, a credit to our Training Team and we are very proud to have Nick as part of our Club and Patrolling Team

The Board of Directors commissioned a new Club Award this season. The Distinguished Service Award acknowledges members who have rendered distinguished service to the Club over a sustained period in various aspects of Club related activities which includes but is not limited to: Governance, Beach Operations, Club Operations and participation in Club Events and Social Activities or by virtue of a Meritorious rescue performed by a member or members.

In closing, after 11 years on the Board of this great Club, its time to take a step back and allow other members to take the reins. It's been an incredible journey and one I can reflect on with a lot of pride.

08

President's Report

Nick Neal

It's been a privilege to be President of the Club for the past 6 years. When I first stepped into role, I had the bare bones of a plan in the back of my mind that I wanted to implement that would enable us to grow as a Club and manage the ICF efficiently.

Over the time the plan has been finalised and come to fruition, but as always there is still work to do. I can honestly say that we are heading in the right direction, however as I'm sure you can understand there have been several hurdles to jump over or even run straight through and a lot of sleepless nights. However, as mentioned previously we are heading in the right direction and I would like to thank everyone that has been involved in implementing the plan.

There are several people and groups that I would like to personally thank:

- All Directors that have served on the Board over the past 6 years, each and everyone of you have embraced the direction I had for the Club.
- City of Cockburn, for supporting us through a different time and providing direction and guidance on matters when we needed it most.
- Keith Lewis for stepping up and taking on a couple of roles when we needed you to.
- Steve Blom, Craig Murray, Kevin Giles and Scott McKee for being the mates you are, always there to have a chat when one needed it and providing (sometime not very useful) advice when one didn't need it!
- To all the members of the Club (both current and past) thank you for allowing me to be your President.

And finally, I wish the incoming President and Directors for the 2021/22 season all the best.

Thank you!

09

Finance Report

Phil Hatt

The overall financial performance for Coogee Beach Surf Life Saving Club for 2020-2021 has been adversely affected by the restrictions imposed by the Federal and State Governments due to the COVID-19 pandemic.

These restrictions reduced revenue by an estimated \$200k (refer Table 1.0). The areas that have been affected include:-

- reduced the available operating hours of the Club's facilities and functions
- limited the number of customers able to attend functions and social nights in given time sessions
- affected our operating efficiencies by the additional required health standards and limiting economies of scale due to restricting customer numbers.

**Surf Club
Members

Events for
20 / 21**

**Sunset Crew
Members
344**

10

Finance Report

Phil Hatt

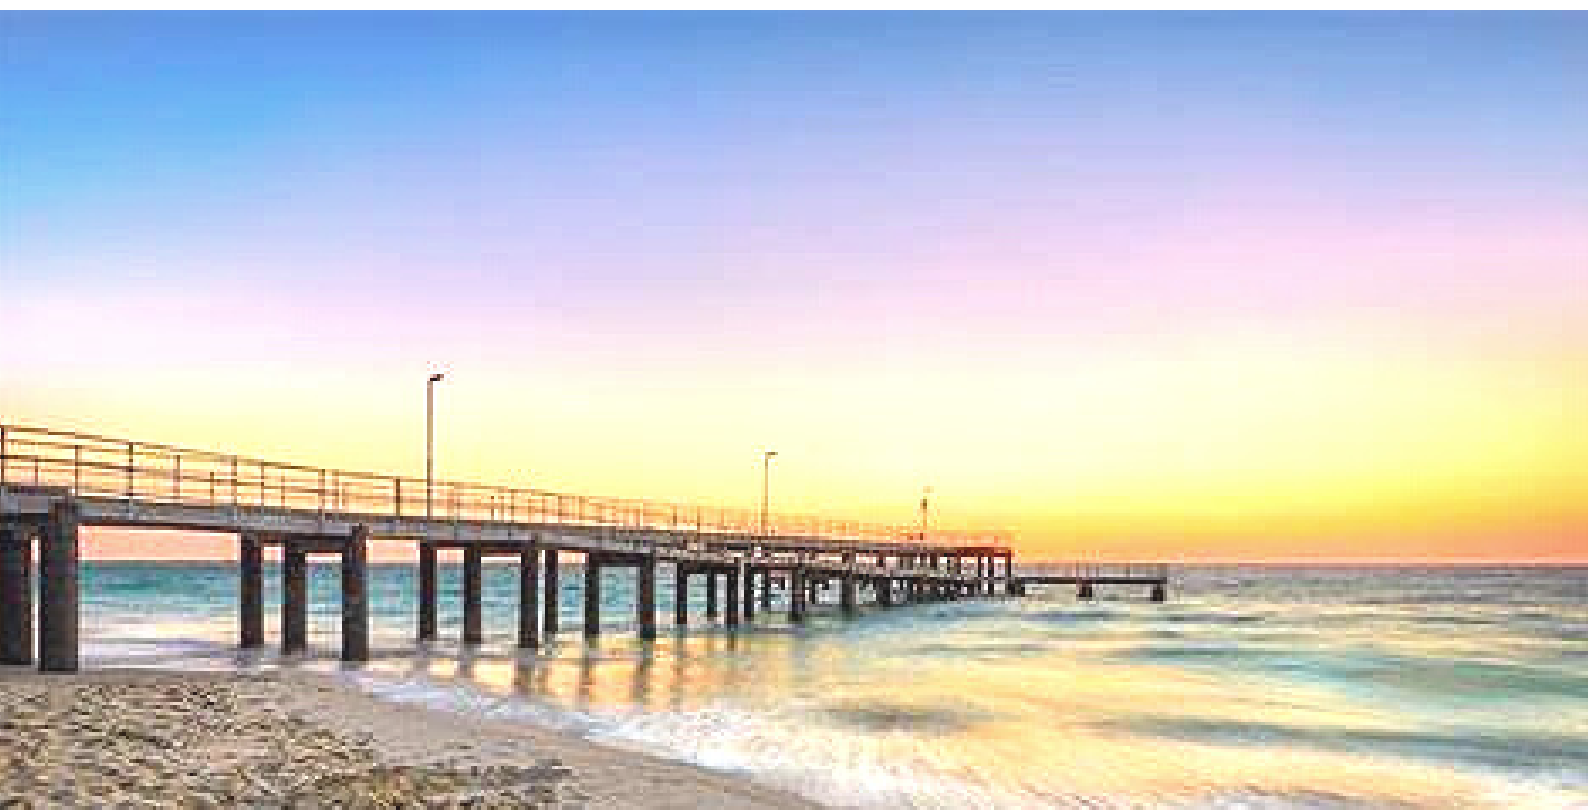

On the positive side, the Club has-:

- increased membership across most membership categories (refer Table 2.0)
- tightly managed expenses from Beach operations to function areas and received financial funding from the Federal Government through the JobKeeper and CashFlow Boost Programs.

The net profit from operations for the year was a loss of \$80,416 from revenue of \$920,698 as compared to last year's loss of \$101,920 from revenue of \$1,081,448. Adding back the benefits from JobKeeper and Cashflow Boost, this year's result improved to provide a profit of \$30,202 as compared to last year's loss of a \$83,368.

Cash from operations increased \$100,491 to \$293,424 which is an excellent result considering the constraints to which the Club has experienced during the year.

Total Members' Funds (Net Assets) increased from \$417,576 to \$447,778.

REVENUE

Revenue for the year of \$1,034,578 was 9.4% lower than FY2020 total of \$1,100,000.

The income from the various functional areas is summarised in Table 1.0 below.

Table 1.0 Revenue Summary

Functional Area	2018-2019	2019-2020	2020-2021
Club Membership	\$138,593	\$136,415	\$179,144
Merchandise	\$28,295	\$16,958	\$17,464
Donations/Sponsorship / Fundraising	\$75,096	\$46,352	\$53,512
Grants	\$84,334	\$13,295	\$9,550
Leases / Rentals	\$104,623	\$89,729	\$88,876
Club Functions	\$760,645	\$722,562	\$533,833
Surf Sports/Member Development	\$43,525	\$42,700	\$39,047
Misc. Income	\$6,085	\$6,819	-
Operating Income	\$1,241,196	\$1,081,448	\$920,698

JobKeeper Payment			\$74,700
CashFlow Boost		\$18,552	\$36,476
TOTAL INCOME	\$1,241,196	\$1,100,000	\$1,034,578

Finance Report

Phil Hatt

MEMBERSHIP

Overall membership numbers increased 22.4% from 1324 last year to 1621 this year. There were positive increases across nearly all categories as summarised in Table 2.0 below.

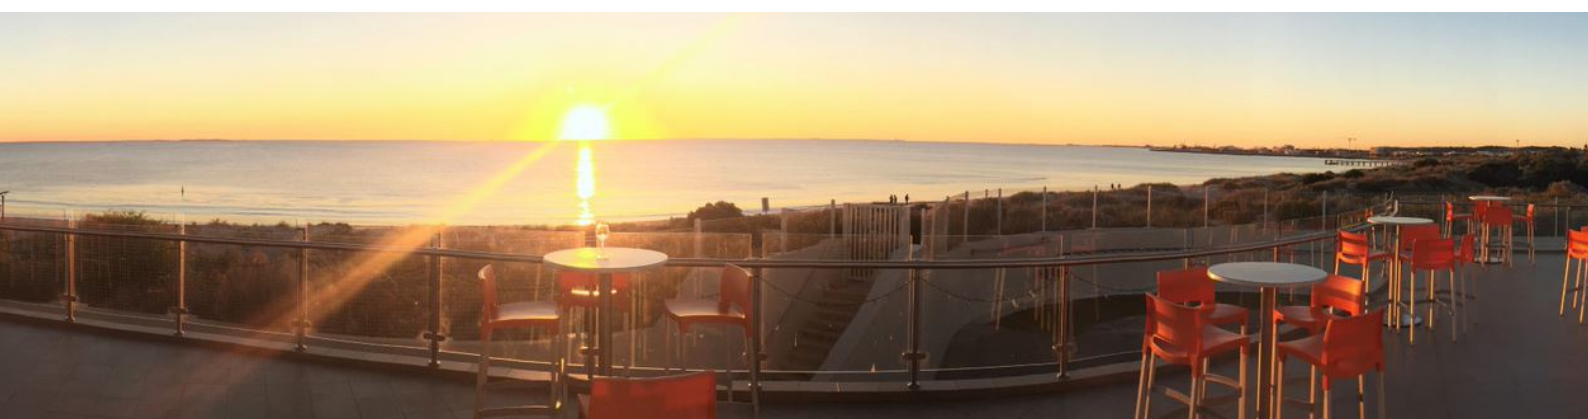

The key positives for the Club included:

- 26.5% increase in the junior numbers which is a good outcome for the Club's future development
- 62.3% increase in general membership

With the increased numbers there was 23.8% growth in membership income to \$179.1k which is an excellent outcome taking into account the effects associated with Covid-19.

Table 2.0 – Membership Summary

Category		2018-2019	2019-2020	2020-2021
Active Members	Juniors: 5-13 years	408	437	556
	Juniors: 13-15 years	34	37	44
	Youth: 15-18 years	57	53	52
	Adult: 18+ years	117	110	130
General		374	361	587
Supporters		290	317	344
Life		9	9	8
Total		1289	1324	1621

MERCHANDISE

Income from merchandise was similar to last year. This is not expected to increase while Woodside maintain their sponsorship arrangement with WA Surf life Saving as nippers' uniforms are supplied free of charge as a part of this sponsorship.

SPONSORSHIP/FUNDRAISING/GRANTS

The main income for sponsorship was received from the Woodside arrangement.

The Club is focussing on improving the level of sponsorship and achieve similar results to prior years such as FY2019. An increase of \$6.5k was achieved this year which is a positive start to achieve our medium-term target.

A good outcome was obtained from the "Cowpat Lotto" fundraiser run by Beach Operations in March where \$14.5k was raised. These funds were directed towards the purchase of a second-hand surfboat.

GRANTS

A lower level of capital improvements was targeted this year which corresponds to the reduced grant income.

LEASE/RENTAL INCOME

Rent charges for the Cafe' and Gym increased this financial year in line with the rental agreements however the income was basically in line with last year as both tenants received a 50% reduction in rent charges for the first 6 months of the year to help assist them during the periods affected by the Covid-19 restrictions.

CLUB FUNCTIONS

The restrictions imposed by the Government reduced the available number of days that the Club was available to hold functions. This is evident in Table 3.0 below where Club social and wedding functions were mainly affected.

Table 3.0 - Club Functions

Function	2018/2019	2019/2020	2020/2021
Friday Social Night	50	45	35
Thursday Parmi Night	51	42	26
Sunday Sessions/Carvery	46	25	10
Club Events	7	14	11
Weddings	19	25	11
Funerals	-	3	3
Corporate Events	19	24	50
Other Functions	12	18	24
TOTAL	204	196	169

The Club focused on increasing the number of external functions and even though we were adversely affected by the Government restrictions we were able to achieve an increase in these targeted areas.

The effect on revenue by the operating limitations has been estimated at approximately \$200k as summarised in Table 4.0 below.

Table 4.0 - Club Function Revenue Summary

Area	Club Social			Functions			Total		
	2019	2020	2021	2019	2020	2021	2019	2020	2021
Bar	261,570	210,581	114,421	79,592	113,942	91,047	341,162	324,524	205,468
Food	211,281	175,117	142,466	166,285	166,693	115,817	377,566	341,810	258,283
Sub-Total	472,851	385,698		245,877	280,635		718,728	666,334	463,751
Misc.*							41,915	56,227	69,353
Total							760,644	722,561	533,105

* Includes room/kitchen hire, social events.

SURFSPORTS/MEMBER DEVELOPMENT

Income of \$39.1k from Surf Sports and Member Development was slightly down on than last year (\$42.7k) even though overall membership numbers for the year were significantly higher. We believed some of the decline can be attributed to effects of Covid-19 outcomes on members available income

GROSS MARGIN/PROFIT

A summary of gross profit for the respective functional areas is summarised in Table 5.0

Table 5.0 – Gross Profit Summary

Functional Area	2019-2020		2020-2021	
	\$	% Sales	\$	% Sales
Club Membership	\$136,415	100%	\$176,367	98.4%
Merchandise	\$6,038	35.6%	\$725	4.2%
Donations/Sponsorship/Fundraising	\$45,957	98.3%	\$52,957	98.9%
Grants	\$13,295		\$9,550	
Leases / Rentals	\$89,729	100.0%	\$88,876	100.0%
Club Functions	\$174,337	24.1%	\$111,886	21.0%
Surf Sports/Member Development	\$19,492	45.6%	\$22,747	58.3%
Total	\$485,263	44.9%	463,108	50.3%

Gross profit from membership improved in line with the increased numbers.

Merchandise margins reduced due to redundant clothing lines which were written-off.

Club Functions margins were affected by Covid-19 where-:

- The 6 week lockdown at the beginning of the financial year required that a number of beverage and food items which were not suitable for re-sale were written-off
- After the stipulated lockdown period strict health requirements were imposed which required the Club to increase labour during functions
- Economies of scale were reduced as the number of customers were limited per function and on social nights 2 seatings were required.

OVERHEAD EXPENSES

Overall expenses of \$418.9k, which included an annual leave provision of \$11.3k, were well controlled and less than last year's cost of \$466,576.

NET PROFIT

Overall net profit is summarised in Table 6.0 below for the two main areas of Club operations.

Table 6.0 – Net Profit Summary/

Area	2019-2020	2020-2021
Beach Operations	(\$5,443)	\$23,749
Club Functions	(\$96,477)	(\$104,723)
Net Profit	(\$101,920)	(\$80,974)
Add back JobKeeper/Cashflow Boost	\$18,552	\$111,176
Profit	(\$83,368)	\$30,202

18

Finance Report

Phil Hatt

Beach Operations profitability improved this year mainly due to the increase in membership numbers.

The result for Club Operations was negatively impacted by the restrictions imposed under COVID-19.

The Club has benefitted from the Government assisted programmes of JobKeeper and Cashflow Boost.

IMPROVEMENTS

During the year, the Finance Team were implementing a number of improvements which included:

- Simplifying the financial accounts with standardised cost codes
- Implementing the Auditor recommendations from last year

19

Finance Report

Phil Hatt

FORWARD VIEW

Business planning sessions and budgets are in progress for FY2022 with the objective to substantially improve on the FY2021 performance.

Key focus areas include-:

- Expanding Club Membership across all categories
- Continually improving our competitiveness surf life saving events through training and equipment
- Obtaining additional sponsors
- Increasing the utilisation of the Club's function area through additional social and commercial functions
- Improving operating margins for the functions area

RECOGNITION

I take this opportunity to thank the Meiling Sparrow and Trina Stapleton for their continued hard work and efforts over the past year.

Club Operations Report

A sincere thank you to all our volunteers whom helped make the club a success with special thanks going out to Rob Capper, Jason Sparrow, Craig Murray, Cecelia Fenton, Len Poole and Nick Neal.

As you may or may not be aware, our club is dependent on the help from volunteers to ensure that our venue operates successfully. Like other clubs and businesses we were impacted and continue to be impacted by the COVID-19 pandemic. Thanks to the quick response from our administration team we were able to reduce the impact on the club and keep the venue operating when permitted to state health mandated requirements. Well done to Mel Rainey, Anette Cronin and Sunny Viros.

Ongoing reviews of the venue management operations were carried out throughout the year in order to keep venue operations in line with the club's five-year strategic plan. As a result, the club's meal and beverage prices were aimed at a family friendly price point, social activities were improved in order to retain our members and guests at the club in a relaxing and affordable environment

21

Club Operations Report

We are always looking to secure a sponsors and donations for the Club. If you have a business or are interested, please contact the Club so we can discuss our Sponsorship Packages for next season.

Once again, as we enter a new season we are looking for new volunteers to help share the load and assist to make the club the best in Western Australia.

Beach Operations Report

2020-21 has seen us return to more normal operations and was a welcome relief compared to the previous interrupted year. As always there has been a significant amount of effort across the Beach Operations directorships of Lifesaving, Surf Sports, Member Development and Fundraising. As such we would like to recognise the members of the Beach Management Committee for all their continued hard work and dedication.

Patrick Rivers – Director Life Saving

Beth Lewis – Director Member Development

John Williams (JJ) – Director Surf Sports

Elise Stallard – Chief Patrol Officer

Dave Knowles – Chief Training Officer

Andrea McDougall – Youth Development Officer

Steve Taylor – Club Captain

Lani Slaughter – Equipment Officer

Beach Operations Report

LIFESAVING

Patrick Rivers and Elise Stallard led continued lifesaving services across Coogee Beach, Port Coogee and doing water Safety Services for various community events. The year continued to provide us with the stark reminder of the vigilance required for water safety and continued education of the public who have little to no swimming capability. Unfortunately, a young man passed away after drowning at our beach after hours, with members attending after an emergency notification.

Our Lifesaving members completed 7625.67 hours for the season with beach attendances up to 194,826. The team undertook 7 rescues and treated 230 first aid injuries. The season saw Nick Gleeson awarded with SLSWA's Coastal Bravery Bronze Medallion for Courage Youth Award, with his efforts in providing first aid to an injured individual in a motor vehicle accident.

The big thing (literally) to happen in lifesaving this season was the installation of the Lotterywest beach observation tower. Strategically located between Coogee Jetty and the Eco-Shark Barrier, it provides excellent visibility over this very busy part of the beach, shelter for our patrol members and some privacy for treating patients. It has become an instant hit with our patrolling members!

Our core patrolling operations returned to relative normality, other than the brief lockdown in February that coincided fortuitously with some rainy weather. Outside of our standard patrol hours, we responded to several incidents, ranging from spinal injuries, asthma attacks and stranded kite-surfers. Our water safety services included long-time favourites like the Jetty to Jetty and new events (to us) such as School Sport WA's triathlon championships at Champion Lakes.

Beach Operations Report

MEMBER DEVELOPMENT

Training Team

Led by Dave Knowles and Beth Lewis the training team have continued to provide training services for the club and the community in the City of Cockburn. The team successfully trained and qualified the following:

- Bronze Medallions 36
- IRB Drivers 5
- IRB Crew 8
- Cadet SRC 29
- Adult SRC 9
- ART 42
- IRB Trainers 2

Additionally, the Training Team have provided community first aid courses to some of our sponsors and community groups

YOUTH DEVELOPMENT

Andrea McDougall, Zoe Capper and Kris Behets led the Youth Development area with successful youth camps for both our junior members and Cadets. Port Bouvard Youth again joined us on our camps this year continuing our collaboration with other clubs.

SURF SPORTS

The 2020/21 season, saw significant growth in the amount of training available to members. Coogee had a lot of top 10's and finalists, especially in the younger age groups, this depth is a good indicator for future strong results.

The club swim has now become established with over 40 swimmers on some days, a great club achievement and good to see so much activity in the water on a Sunday morning. .

Surf sports have made some significant savings with ALL repairs done in house. Many thanks to Nick Moffatt who repaired in excess of 30 boards! Coogee Beach had a strong showing across all competitions this season, including the newly formed WA Ironman Series & for the first time a representation in the Sunsmart WA Surf League.

Sprint/Beach Training

A big thank you to Zoe Spencer for running another successful season of sprint/beach training. The program has continued to develop from when Zoe took over in 2019. Participation has been strong all season which has directly led to a lot of successful results across the different age groups.

Boards: Under the leadership of Ross Davis, and continued support of Ross Kirby, the board training program has seen some of the largest participation ever in board training with numbers regularly in excess of 35. This is in addition to the very strong results across all the different competitions throughout the season.

Boats

Under the continued guidance of Danny Price, the Boat team has seen a lot of growth this season. They were also responsible for running a very successful ASRL Surfboat Carnival at Coogee Beach on Sunday 8th November 2020. In addition, they were the driving force behind some major fundraisers this season.

IRB

Coogee Beach for the first time has seen the inception of its very own IRB Racing Team. Through a number of fundraising events, as well as a lot of coordination, they managed to have a strong representation at the 2020 IRB State Championships. The team has already started their training for the 2021 season, and have shown a large increase in its team as well as beginning preparations for the club's first ever hosted IRB carnival.

Beach Operations Report

Woodside Nippers

This season saw the continuation of the SLSWA community partnership with Woodside for the Nippers program. Our Nippers program, led by Ashleigh Wooden, continues to be a foundational cornerstone of our club and has seen 540 members go through the program this year resulting a growth of membership of almost 25%

Great to see the following people recognised through SLWA:

Annalise Cummings – Youth Club Achiever

Kori Rainey – Nipper Club Achiever

Cath Spencer – Age Group Manager of the Year Finalist

We recognise the ongoing support of the volunteers who Age Group Manage and look after the logistics for beach set up and pack up.

Starfish Nippers

This was the first year that Coogee Beach has run a Starfish Nippers program. Starfish Nippers is a modified and structured nippers program, for all abilities, that runs alongside a club's Nippers program. This focuses on beach and water safety and awareness and promotes inclusion and diversity. It features modified Nippers beach and water activities such as games, running, beach flags, wading, swimming and boards as well as activities with the club's Age Group Nippers. The program is run entirely by volunteers at lifesaving clubs around Australia. The program was organised and ran with much success by Simone Blom and her team of volunteers. We are excited to see how this program continues to grow in future years.

FUNDRAISING

Our Surfboat crews ran Cow Pat Lotto this year to fund the purchase of a new Surf Boat.

2021 / 22

Planning has begun for season 2020/21 with Beach Operations looking to continue to save lives and build better communities. This coming year will see the Aussies hosted in Perth, we are expanding the Starfish Nippers program and see us look to expand our lifesaving capability with the development of our Jetski member qualifications. Additionally, we are working through details of an expansion of our lifesaving footprint to South Beach in the coming years. See you all on the beach and in the water soon.
